1. Introduction

This guide provides an overview of the content management tools available on your site's admin system

2. Site object

Here you can edit the homepage text, and a number of other things. Click on the SiteObject link to edit the site object. On the editing page it is possible to edit:

- The homepage text and title
- The site logo
- The site masthead
- The site colours
- Add Google Analytics (this allows you to monitor traffic to your site)
